HORTICULTURE INTERNS & SEASONAL GARDENERS NEEDED AT THE FRELINGHUYSEN & WILLOWOOD ARBORETA

Horticulture Internships and Seasonal Gardener positions are available at the Frelinghuysen Arboretum in Morristown and the Willowood Arboretum in Chester, New Jersey, for the 2016 growing season. Gardeners participate in all aspects of garden and arboretum management including planting, mulching, watering, weeding, pruning, fertilizing, mowing, propagating, and record keeping, and must have professional gardening experience. Interns rotate through the different specialty gardens and collections and may select an area of concentration. Applicants should possess a keen interest in horticulture and must enjoy physical work outdoors.

To apply, please send cover letter and resume to Patti Millar, Morris County Park Commission, P.O. Box 1295, Morristown, NJ 07962. For additional information, call 973-326-7629 or e-mail pmillar@morrisparks.net. The Morris County Park Commission is an equal opportunity employer.
