

**7th Annual Tubbs Lecture:**

**The Rutgers University Dogwood Breeding Program:  
*A Long History Supports an Exciting Future***

**Date Changed!**

Saturday, May 20, 2023 • 1:00 - 3:30 pm

The Stone Barn at Willowwood Arboretum

Associate Professor of Plant Biology at Rutgers University, Tom Molnar, will speak on the university's long history of research and breeding of Dogwoods from its beginning in the 1960s through his own new cultivar *Cornus kousa* Scarlet Fire®.

\$25 per  
person

Learn the history of this great landscape tree and get a glimpse of new plants in the pipeline. Enjoy a guided walk after the talk.

**This program is eligible for 2.0 Rutgers Master Gardener CEUs.**

**Preregistration required. Register at: [tinyurl.com/mcpcadult](https://tinyurl.com/mcpcadult).**

Call 973.326.7601 for more information.

This program is sponsored by the Willowwood Foundation to support the Willowwood Arboretum, a facility of the Morris County Park Commission.
